I'm not a real sportsman.

I would say, I prefer gymnastics and jogging. It's the best for my body.

As for me personally, I'm not going to mark smb's grammar mistakes.

Everyone is able to do it himself.

The pleasure is, simply to communicate on English.

I think, the grammar is not the aim of our communication. But it doesn't mean, we may write abracadabra here.

yep, that's true. Grammar is not the aim. Abracadabra isn't aim too, I will try to diminish it. It's real pleasure to communicate it ☺
